

Christmas Flowers, Wreaths and Decorations at the Emma Bridgewater Factory with Sarah Raven

Drawing inspiration from the garden, I will show you my style of Christmas flowers and decorations, and how to make wreaths and sumptuous yet simple arrangements for your parties and Christmas table. I'll show ideas for the Christmas door, festive table, large and twinkly vases and small delicate side table flowers, as well as giving ideas of how to make the most of forced bulbs, not just for Christmas but to cheer all our lives through the whole of winter. This will be a demonstration, not hands-on morning plus lunch.
